1 Introduction

This document is an inventory of all the colour gels Vanier College Productions has as of . These can be accessed in the filing cabinet in the Green Room at VC 274. This document contains the HEX and RGB values of each gel as well in case you would like to know what colour the gel in question is similar to. These colours are from the ROSCO and LEE FILTERS websites.

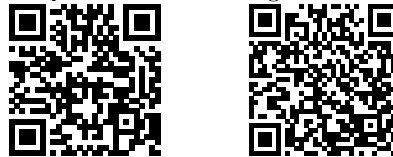

At the time of writing this document, all URLs in this document are correct. Should you have any issues, please feel free to send me an email at HusseinEsmailContact@gmail.com.
